

UNCOVER YOUR HUMAN RIGHTS PERSPECTIVE

What is your perspective on human rights? Tell us about a human rights issue that is important to you!

This is your chance to **express yourself, be creative and get your art recognized!**

A winner from each province and territory will travel to Winnipeg during the summer of 2010 and have their art exhibited in front of thousands of people at a ceremony for the new Canadian Museum for Human Rights!

Submissions can include video or digitized images of any creative arts form that can be uploaded. This includes, but is not limited to, **painting, sculpture and photography**. It's free to participate!

You can reflect on the past, present, or even think of potential issues for the future! Submissions can be made in French or English.

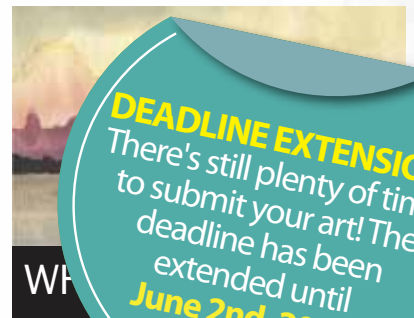

Want to help in other ways? Spread the word or facilitate a human rights discussion group!
