

Staples® and Students Together for a Smaller Footprint

Tread Lightly is a free climate change education and engagement program offered by TakingITGlobal (TIG), with the generous support of the Staples® Foundation for Learning.

As a member of the Staples® team, you have a unique opportunity to get involved and demonstrate your commitment to a greener future!

IDEAS FOR COLLABORATION:

- Recommend Tread Lightly to friends and family members with children attending local high schools.
- Deliver a presentation at a local school about corporate sustainability.
- Lead a group of students on an eco-tour through Staples' facilities.
- Encourage friends, family, and coworkers to join Tread Lightly's ecological footprint challenges.
- Organize a Tread Lightly Low Carbon Lunch at your office (and maybe even extend an invitation to a nearby school!).
- Come up with your own innovative way to implement an environmental project with a school partner!

ARE YOU READY TO TREAD LIGHTLY?

Contact Katy Dobbs, Director of Corporate Social Responsibility, at katy.dobbs@staples.eu or visit www.treadlightly.me for more information.
